#### DIRECTOR'S REPORT

Welcome to the 66th annual meeting of Texas Telcom Credit Union. We are all stakeholders here, each of us invested in the health and wellbeing of this great financial institution. So, I want to thank you for being here, and I applaud you for being truly connected member-owners.

I want to first recognize my fellow board members for their leadership, dedication, and passion for this credit union. The strength of their commitment is key to our long-term sustainability and prosperity. And to our members, I'm greatly humbled by the trust you've placed in us. As a united body of leadership, we are responsible for ensuring that we have a competent, qualified, and trustworthy management team, and I can say unequivocally that we do.

As a financial cooperative, we understand that we can most effectively serve you and strengthen that movement by engaging in the vast network of organizations and service groups available. For instance, participation in our local chapter of credit unions allows us to benefit from the training, tools, and resources available through our trade association, the Cornerstone Credit Union League, whose purpose is to support our endeavors and, by extension, you.

As many of you know, our previous President/CEO, Steve Gibson, is no longer with us. Steve served the credit union well for 22 years, and we wish him well. But we are delighted to welcome a new President/CEO, Pam Toler, who has been serving the credit union for over 14 years, and we have every confidence in her abilities to lead us into the future.

In closing, I'd like to express my deepest confidence in the wisdom and guidance of our esteemed board of directors, the commitment of our dedicated staff, and the support and loyalty of our member-owners. We look optimistically into the future because TTCU is well positioned to face any challenge and seize any opportunity that presents itself in 2019.

Thank you, ladies and gentlemen. I wish you and your families the very best in 2019.

Thank you.

Michael Robbins

Chairman of the Board

### PRESIDENT'S REPORT

Good afternoon and welcome to the 2019 Annual Meeting of Texas Telcom Credit Union. I'm delighted to be here with you at our 66th annual meeting.

I am pleased to report that the financial condition of TTCU remains strong. In fact, credit unions across the country are doing extremely well. Texas, alone, has 461 credit unions with more than 8.8 million members and total current assets of \$79 billion. These figures reflect a robust and healthy credit union system, of which TTCU is a part. As of December 31, 2018, total assets were \$56,161,061, total outstanding loan balances were \$29,748,935, and total reserves and undivided earnings were \$8,494,743. During 2018, our strong net worth ratio increased to 15.12% indicating that TTCU is a well-capitalized credit union. Also, during 2018, approximately \$518,000 in earnings were paid back to members in the form of dividends or interest.

In the past ten years, our assets have grown from \$23 million to \$56 million. We are very proud of how far we've come and I know our many accomplishments would not have been possible without the ongoing energy, optimism, commitment, and wholehearted belief that our staff, past and present, and our loyal members have in our principles and philosophies as a cooperative, not-for-profit entity.

I'd like to recognize our committed directors for their responsible stewardship of our principles, philosophy, and mission and our dedicated employees for embracing our values and goals and for delivering best-inclass service; and our loyal members who appreciate the many ways their credit union is a partner in their financial wealth. Because of the work we've all done together, this credit union is thriving.

With the continued success of TTCU, we're able to offer an array of financial products and services that enhance your life and improve our delivery channels. In 2018, we introduced the MobiMoney app, so you can receive debit card transaction alerts on your smartphone, and even turn your card off and on. And with a conversion of our card processor, we implemented top-of-the-line fraud protection on your debit cards to keep your money safe. For 2019, we have restructured our CD rates, so that higher rates are available to all levels of investors, with a minimum of \$1,000. And to enhance the CD program even more, we are now providing Excess Share Insurance coverage – so your accounts are now insured up to \$500,000. This is the \$250,000 provided by the NCUA, PLUS an additional \$250,000 coverage provided by the credit union. As we move into 2019, my commitment to you today is that Texas Telcom Credit Union will continue to grow responsibly while listening and responding to your needs. We will explore innovative product and service solutions to enhance your financial life, and we'll develop our staff so they can confidently and wisely serve your interests.

Our member-owners are integral to our credit union family, and we are sincerely grateful that you've chosen TTCU as your financial partner. We look forward enthusiastically to a great 2019.

Thank you. **Pam Toler**President/CEO
